BREAKING NEWS RUSSIAN PLANE DOWNED, OVER 220 RUSSIAN CRUSADERS PERISH ABOARD.

17 Muharram 1437

THE SOLDIERS OF THE KHILAFAH WERE ABLE TO DOWN A RUSSIAN PLANE OVER WILAYAT SAYNA'. IT WAS CARRYING MORE THAN 220 RUSSIAN CRUSADERS. ALL OF THEM WERE KILLED, AND PRAISE IS FOR ALLAH. THIS IS TO SHOW THE RUSSIANS AND WHOEVER ALLIES WITH THEM THAT THEY SHALL HAVE NO SAFETY IN MUSLIM LANDS OR AIRSPACE, AND THAT THEIR DAILY KILLING OF DOZENS IN SHAM VIA THEIR AIRSTRIKES SHALL RESULT IN THEIR DEMISE. AS THEY KILL, THEY WILL BE KILLED BY THE PERMISSION OF ALLAH. ALLAH IS IN CONTROL, THOUGH MOST PEOPLE DO NOT KNOW.

Among the Believers Are Men: **ABŪ MUHĀRIB AL-MUHĀJIR**

Abū Muhārib al-Muhājir, the mujāhid who made headlines around the world as “Jihadi John,” was originally from the northeast of the Arabian Peninsula, while his mother originated from Yemen. At a young age, the honorable brother traveled with his family to London. This would become a place he grew to hate along with its kāfir people, whose customs were far-removed from the praiseworthy values he was much accustomed to. It was through the mercy and blessings of Allah that Abū Muhārib attained the gift of a sound ‘aqidah and correct manhaj despite residing in one of the centers of kufr and despite the increased presence of deviants calling to the gates of Jahannam.
